

## **10 Questions to Help Identify Drug Addiction or Drug Abuse**

1. Have you used street drugs even when you knew it was not the right thing to do?
2. Have you taken prescription drugs other than as prescribed or finished a prescription before you were supposed to?
3. Are you always able to stop using drugs when you want to?
4. Have you had "blackout" or hangovers as a result of drug use?
5. Do you feel guilty or bad about your drug use?
6. Do any members of your family ever complain about your use of drugs?
7. Have you neglected your family or missed work because of your drug use?
8. Have you engaged in illegal activities because of drug use?
9. Have you ever felt withdrawal symptoms when you stopped taking drugs?
10. Do you lie about your drug use or try to keep it hidden?

If you answered yes to two or more of these questions, you may have a problem with drug abuse and it is likely that you would benefit from therapy or treatment. Addiction is treatable and does not need to control your life.
